Nathan Brown poet

Nathan Brown is a singer-songwriter, photographer, and award-winning poet who was recently appointed the Poet Laureate of Oklahoma for 2013/2014. His mission is to take back poetry from the hard grip of the ivory tower and those who often use poetry for personal therapy . . . both being good reasons audiences for poetry have run for the hills in the United States. Nathan now travels widely, offering readings, house concerts, creativity workshops, and musical performances in an effort to bring back the hint of a smile and the hope for a good story in poems. . . poems unafraid of making sense. . . poems that carry us to better places. He was last at Chatter Sunday in February 2014.
