About **Cold Mountain** by Jennifer Higdon :: World Premiere

Deserting the Confederate army and fleeing the hospital to reunite with the love of his life, wounded Civil War soldier W. P. Inman endures an American odyssey that has gripped millions of readers — and now takes the opera stage. In this highly anticipated world premiere, the Pulitzer Prize-winning composer Jennifer Higdon captures the fervor of Charles Frazier's thrilling novel *Cold Mountain* with her distinctive technical brilliance and audience appeal.

Performances on August 1, 5, 14, 17, 22, and 24. A limited number of seats remain at SantaFeOpera.org
