chatter music worth talking about SUNDAY

Boyd Meets Girl pairs Australian classical guitarist Rupert Boyd with American cellist Laura Metcalf. The duo performs an eclectic and engaging range of repertoire, from the baroque through modern day, including many of their own arrangements. Both acclaimed soloists in their own right, Boyd has been described as “truly evocative” by The Washington Post, and as “a player who deserves to be heard” by Classical Guitar Magazine, while Metcalf, also a member of the ensembles Sybarite5 and Break of Reality, has been called “brilliant” by Gramophone. Boyd Meets Girl has toured throughout the USA, Australia, India and Nepal, including appearances at the Newport Music Festival (Rhode Island), the Gharana Music Festival (Kathmandu, Nepal) and the Monsoon Music Festival (Kolkata, India).
