## Richard E Peck author

Richard E. Peck is an author, playwright, and retired academic, whose writing career detoured for years and resumed when he left academe. Since his retirement from UNM, he's published widely, has 14 titles on Kindle although no understanding of how Kindle works, another five books (yes 5) scheduled for November publication. Today he has brought to Chatter Sunday only his two New Mexico novels, a collection of travel pieces, and his CD/Flash Drive recording of 10 stories. He'll also confess to a failed musical career dating back to a time before the Electronic Divide, when Hawaiian electric steel guitars burned kerosene.
