**Vogue Robinson** Poet

Vogue will always have an appreciation for human beings who find ways to put truth and heart into words. She was introduced to Spoken Word by her friend, Nicole, while in college at San Diego State University. She was apprehensive to share any of her written work with others, but soon the audience became part of the reason why she performed. Spoken Word brings a new element to her writing. She currently resides in Las Vegas, Nevada. When she's not writing, she's spending time with her niece or sitting in math classes and tutoring awesome children. Vogue was a member of the 2013 group piece finalist Battle Born Slam team (Las Vegas, NV), which finished 25th in the nation. She has also been the champion of a few notable poetry slams such as: Battle Born Last Chance Slam 2013 and the 2013 Kingman KABAM Regional Slam (Kingman, AZ). Vogue has also lent her talents to performing as a cast member of Eve Ensler's The Vagina Monologues in 2009. She loved the show so much, she returned to honor women's stories by directing the show in 2013.
