**Carlos Contreras** Poet

Performance poet Carlos Contreras secured his place in Albuquerque history as a member of the city's winning 2005 National Poetry Slam team, a triumph he describes as "excellent . . . kind of a surreal experience!" When asked what he likes to write about, Contreras says, "Family, place and identity. . . who I come from and who I am." Perhaps that's not surprising. His family roots in Albuquerque go back generations, and his immediate family has lived on one piece of land in the North Valley his entire life. A performing bard by night at venues all over town, Carlos is Co-Creator of JustWrite, a writing program conducted in correctional facilities. Contreras and his partner spend their time guiding students in a more positive direction -- his way of giving back. "I think people need a lot of help." He created and hosts "I'll Drink to That" a monthly live poetry event. Details at [www.immastar.com](http://www.immastar.com)
