"I am a singer/songwriter living in Albuquerque and I've travelled all over the country singing and performing and it is my life's work. I grew up in Muskogee, Oklahoma. Yes, I am proud to be an Okie from Muskogee! From the time that I was a little girl, I knew that I loved performing. My first love was the stage and I've been involved in numerous theater and musical productions, having staged my very own critically acclaimed one-woman show at several theaters around the US. In the mid-90's, I began a different kind of performing journey. I started writing songs and performing my own words on stage."

*to celebrate and offer thanks
for the gift of music, for all
who give, for all who listen;
we take our leave as the last
notes heard linger on in our
minds, binding the rhythm of
our steps.*
