# TEN YEARS OF CHATTER

MUSIC WORTH TALKING ABOUT

The Chatter archives have revealed a history that is astonishing even to those closest to it! The tale of Chatter in the history of music in Albuquerque is bigger than most of us understood. As Chatter engages more than 140 musicians each year, pushes envelopes while keeping it comfortable, and has more to say, we thank you. Because you, dear community, are not only part of it, but are the reason for this phenomenon. **Lucky Albuquerque!**
