Carolyn Meyer Spoken Word

For more than fifty years, Carolyn Meyer built a career as a writer for children and young adults. Then, with more than sixty books to her credit, Carolyn decided to take her storytelling in a different direction. Her first solo show, *Don't Call Me Young Lady!*, proved that she could actually stand on a stage for over an hour and hardly ever forget her lines. She did it again with a second show, *The Old White Lady Tells It*, until Covid shut it down. She has done a series of podcasts—she prefers to call them oddcasts—under the title of *Aging Disgracefully*. This fall she has told stories on mainstage shows of The Moth in Logan, Utah, and Portland.
