## Gabriel Kahane Music and Spoken Word

Gabriel Kahane is a singer-songwriter, composer, and multi-instrumentalist who works at the blurred edges of journalism, ethnography, storytelling, and music. His music confounds easy categorization and spans many genres. "An all around dazzling performance... this is music with something to say." — *The Los Angeles Times*.

*Magnificent Bird* is a chronicle, in story and song, of the final month of an entire year off the internet. In this intensely personal show, Gabriel Kahane explores quiet, domestic concerns of marriage, fatherhood, and loss, against the backdrop of a nation and planet in existential crisis.
