John Barney Spoken Word

Albuquerque-based artist John Barney has shown and performed work in New York, Miami, San Francisco and around New Mexico. John currently daylights as the Leslie Knope of the Bernalillo County Parks & Open Space. He draws every day, including almost every week at Chatter Sunday. For this performance he is grateful to be working with Levi Brown, composer and percussionist. Together they have created several spoken-word improvisations, and started a performance troupe called the Moving Lines Ensemble. For this performance, he will also be wearing a site-specific frock created by artist Andrew Fearnside.
