

## JW Madison Spoken Word

J.W. Madison is an electrician, old house expert, sometimes actor, and occasional tiny musician. For almost 60 years, he has been a small part of some big causes and struggles. He is a writer, but only articles, letters, and the odd opinion piece. His principal present-day causes are modern passenger trains, common-sense home improvements, and gender balance.

## Two Keyboard Sonatas K.135, K.380 (1749/1754)

Domenico Scarlatti (1685–1757)
