## Kristin Patton Spoken Word

Kristin Patton grew up writing poetry in the back of the classroom in between assignments. She began frequenting open mics and poetry slams to support personal growth and mental health as well as offer their hands to the community. In the past five years, they have traveled across the country sharing their poetry, competing in national competitions, and sharing stages with world-renowned poets.

Kristin currently holds the 2019 title of Poetry Goddess of Albuquerque. She has been on Albuquerque's Mindwell Poetry Slam Team four years in a row, which has competed at the Southern Fried Poetry Slam in North Carolina, the New York City Poetry Festival, and the Bigfoot Poetry Regional Festival in Oregon. She traveled to Dallas to represent Albuquerque and the MindWell team at the Women of the World Poetry Slam Championship in March 2020, and her first book, *The Beginning of This*, was published that same year. When she is not attending local poetry events, she is learning to enjoy this thing called life, and loving just about everyone and everything in it. You are worthy, and she believes in you.
