Andi Penner Spoken Word

Andi Penner, PhD, writes *In Our Own Ink*, a Substack newsletter, from her Albuquerque home on the ancestral homelands of the Southern Tiwa People, between the Sandia Mountains and the Sandia Pueblo. Her prose and poetry appears in academic and literary journals. She believes poetry can promote dialogue and deepen our appreciation for this one precarious life between earth and sky. Her second book, *Rabbit Sun, Lotus Moon*, was a 2017 poetry finalist for an Arizona/New Mexico book award. All three of her books, with covers by Placitas artists, are available for purchase at the back table.
